

**Thank you for supporting the work of
The Myositis Support Group**

The Myositis Support Group is a national independent charity representing people with Polymyositis, Dermatomyositis, Inclusion Body Myositis, Juvenile Dermatomyositis.

The charity provides information to sufferers and their families, helping them with a better understanding of their illness. It also helps relieve the isolation felt by an individual when a rare disease has been diagnosed. The charity guides sufferers in the right direction for treatment and raises awareness of the conditions. It also raises funds for research.

The Myositis Support Group was formed in 1985 when it was known as the D and P Support Group. It became a registered charity in 1987. It now sponsors medical research grants named in memory of the late Dr Christine Saunders who was a great advocate for the formation of the Charity.

Funding is always required to assist the Myositis Support Group in maintaining the research grants. Your purchase of our Christmas Cards together with any donation you may care to make will contribute to our work.

Thank you

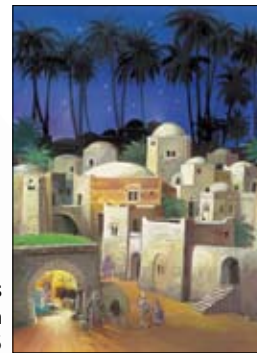

All cards bear Myositis Support Group logo and the greeting;

*With Best Wishes
